Department of Space, Government of India
Udaipur, Rajasthan

About the Meeting

The Udaipur Solar Observatory (USO), Physical Research Laboratory (PRL) is organizing a **Focused Space Science Meeting** on 28–29 September 2026 at Udaipur.

The meeting will provide a focused platform for **scientific and technical discussions, exchange of ideas, and development of new collaborations** in space science and related areas.

The meeting is expected to bring together **around 60 scientists and engineers** from leading **ISRO centres, PRL, IITs, national research laboratories, and academic institutions** across India.

Participating Institutions

ISRO / Space Research:

VSSC, Thiruvananthapuram • URSC, Bengaluru • PRL, Ahmedabad • NARL, Gadanki

Academic Institutions:

IIT Indore • IIT (BHU), Varanasi • IIT Delhi

National Research Institutes:

IIA, Bengaluru • ARIES, Nainital • IIG, Mumbai • Other leading institutions

Why Sponsor the Meeting?

Sponsorship will support a focused national forum that brings together scientists and engineers from India's leading space-science and research institutions.

Sponsor support will contribute towards the **organization of scientific sessions, logistics, and facilitation of participation and interaction** among researchers and engineers.

Sponsors will receive appropriate recognition and visibility during the meeting and in official meeting materials, depending on the level of support.
